Summary

I am a skilled **WordPress website developer** with expertise in **PHP, HTML, and CSS**, enabling me to create custom, responsive, and high-performance websites. With **2+ years of experience**, I have successfully completed **3 projects on Fiverr** and **4-5 projects outside marketplaces**, delivering high-quality solutions tailored to clients' needs.

In addition to development, I have knowledge of **email marketing** on Fiverr, helping businesses enhance their online presence and customer engagement. My strong problem-solving skills, attention to detail, and commitment to meeting deadlines make me a reliable professional in the web development industry.

I am passionate about crafting user-friendly websites, optimizing site performance, and implementing SEO best practices. I am always eager to learn new technologies and stay updated with industry trends to provide top-notch services.

Let's connect to build innovative and effective digital solutions!
